The Client agrees to:

- Provide all required content, assets, and materials in a timely manner.
- Designate a single point of contact for approvals and feedback.
- Respond to requests, reviews, or approvals within 5 business days.
- Ensure all provided content and materials do not infringe third-party rights.
- Pay all invoices as per the payment schedule in Section 4.

Delays caused by the Client's failure to provide materials or approvals may result in corresponding delays to the project timeline without liability to Swiss Flow Tech.

7. Intellectual Property & Ownership

7.1 Client Ownership

Upon receipt of full payment, Swiss Flow Tech assigns to the Client all intellectual property rights in the final deliverables, including source code, design files, and associated documentation.

7.2 Service Provider Rights

Swiss Flow Tech retains the right to:

- Display the project in its portfolio and case studies.
- Retain ownership of any pre-existing tools, frameworks, or libraries used.
- Retain ownership of work products until full payment is received.

7.3 Third-Party Assets

Any third-party assets, fonts, stock images, or plugins used will be licensed appropriately. The Client is responsible for ongoing license fees for third-party tools post-delivery.

8. Confidentiality

Both parties agree to keep confidential any proprietary information, trade secrets, or sensitive business data shared during the engagement. This obligation survives the termination of this Agreement for a period of two (2) years.

Swiss Flow Tech will not disclose or sell Client data to any third party without explicit written consent.

9. Termination

9.1 By Either Party

Either party may terminate this Agreement with 30 days written notice. In such event:

- The Client shall pay for all work completed to the date of termination.
- Swiss Flow Tech shall deliver all completed work and materials to the Client upon receipt of outstanding payment.

9.2 For Cause

Either party may terminate immediately if the other party materially breaches this Agreement and fails to remedy the breach within 14 days of written notice.

9.3 Refunds

The advance payment is non-refundable. Milestone payments made for work completed are non-refundable. A pro-rated refund may be considered at Swiss Flow Tech's discretion for work not yet commenced.

10. Warranties & Limitation of Liability

Swiss Flow Tech warrants that:

- The deliverables will be original and not infringe third-party intellectual property.
- Work will be performed with reasonable skill and care.
- Bug fixes will be provided free of charge for 30 days post-launch for defects attributable to Swiss Flow Tech.

To the maximum extent permitted by law, Swiss Flow Tech's total liability shall not exceed the total fees paid under this Agreement. Neither party shall be liable for indirect, incidental, or consequential damages.

11. General Provisions

Governing Law: This Agreement shall be governed by the laws of India. Any disputes shall be subject to the exclusive jurisdiction of courts in Hyderabad, Telangana.

Entire Agreement: This document constitutes the entire agreement between the parties and supersedes all prior discussions, representations, or agreements.

Amendments: Any modifications to this Agreement must be in writing and signed by both parties.

Severability: If any provision of this Agreement is found to be unenforceable, the remaining provisions shall continue in full force.

Force Majeure: Neither party shall be liable for delays caused by circumstances beyond their reasonable control.
